

Harshranjan kumar

Full Stack Web Developer

PROFESSIONAL SUMMARY

Highly proficient full stack web developer with extensive experience in MERN stack, having successfully completed solo and collaborative projects. Possesses 1000+ hours of coding coursework from Masai School, coupled with intermediate-level proficiency in data structures and algorithms (DSA). Ready to contribute technical expertise and innovation to your team.

WORK EXPERIENCE :-

Insurance Samadhan | October 2024 – March 2025

- Developed and maintained scalable web applications using the MERN stack (MongoDB, Express.js, React, and Node.js).
- Enhanced front-end features to improve user experience and ensure mobile responsiveness across devices.
- Collaborated with cross-functional teams to identify bugs, troubleshoot issues, and optimize application performance.
- Implemented best coding practices and participated in code reviews to maintain code quality and consistency.
- Contributed to the development of new modules and features based on client feedback and business requirements.

PROJECTS

FitQuest | |

JavaScript | React | Redux | Chakra UI | Node.js | Express | MongoDB | Mongoose

- Designed and developed an engaging front-end UI for an interactive fitness platform.
- Implemented dynamic challenge/activity updates and real-time user engagement features.
- Built the Admin Dashboard with full CRUD operations for users and activities.
- Collaborated in a 5-member team to deliver the project within a 5-day sprint.
- Boosted user motivation through gamification elements like leaderboards and achievement tracking.

World Travel | |

React | Redux | Chakra UI | styled-components

- Developed a responsive web platform for hotel and travel bookings with secure user/admin authentication.
- Designed an intuitive front-end interface to enhance user experience across devices.
- Integrated dynamic date and time functionality for real-time booking updates.
- Created essential pages like Landing, About, Message, and Payment to deliver a complete booking flow.
